### Chapter 166

Suya's weak voice interposed in, "suan'an!"

Su'an's scalp began to numb. This was at school. Su Ya was in the same school with them and in the same dormitory with su'an. It was not difficult for Su ya to meet them.

Fu Xin turns around with Su An'an, looks at the mark on Su Ya's face, and says strangely, "who hit her? How can she fight like this?"

"Her mother and my husband," she replied

Su er's aunt quarreled and fought fiercely. She fought harder than Su Zihan and Jiang Mei. Her slap at Su An'an was full of strength. She didn't expect to hit her daughter on the cheek.

Gu Mocheng is a man. When he saw that su'an was scolded as a "wild seed", he was annoyed and used his strength to fight su'ya.

These two slaps go down, Su Ya's face is not swollen just blame.

"This is to walk a su Zi Han, came a su ya." Fu Xin said suddenly.

"Is she really interested in your husband?"

"Yes." Suan replied.

Fu Xin said "tut tut" twice, "your husband is really a disaster."

I went out for a stroll and took Suya, a pure girl, away.

"Ann, I'm sorry." Suya said softly, her eyes full of apologies. "My mother has done too much."

Su An'an thinks that Su Ya's sudden appearance is to say to herself that she likes Gu Mocheng and so on. Unexpectedly, she apologizes to herself.

"She thought I liked Mr. Gu. In order to make me happy, she dragged me to Su's house."

"Well?" Su'an listens to Su Ya's words, how does she feel that she has lost her memory? She clearly remembers that Su Ya said that she likes Gu Mocheng, and she did not get married with Gu Mocheng with a license. She is not a junior.

"She is much better than Su Zihan in telling lies with her eyes open." Fu Xin can see that Suya is lying.

"Ann, I'm really sorry." See Su an an not believe what she said, Su Ya red eyes, shed tears said.

She cried bitterly, but she was facing Su An'an and Fu Xin. If there is a boy in front of her, it must be very painful to see Suya's tearful little face.

"Don't worry, I will be far away from Mr. Gu. Will you forgive me?" Su Ya said with tears in her eyes. She went to Su an's side and reached for her hand.

Suan didn't shake her. "OK."

Su'an said, but she was stunned. She didn't expect su'an to forgive her so easily.

"Really?" Suya smiled on her tearful face. "Ann, do you really forgive me?"

"Well." Suan laughed.

I'd like to see what Suya wants to do!

"Ann, it's very kind of you to have a good match with Mr. Gu." Suya said with a smile.

Su'an really felt that there was something wrong with her memory. Why did she look at her eyes last time when she said that she didn't deserve Gu Mocheng.

After two or three days, Suya changed her mind.

Su Ya is convinced by Gu Mocheng. She thinks that Gu Mocheng won't like her, so she gives up.

When su'an thought that Su Ya didn't like Gu Mocheng, he heard Su ya say, "An'an, I want to invite Mr. Gu to have a meal and apologize to him."

www.onlinefreenovels.com

"He was angry about the last time. My mother and I knew we had done something wrong. We wanted to apologize to him personally."

"Oh." Su'an responded by saying, "retreat is progress."

Fu Xin also heard the meaning of Suya's words, which was to Approach Gu Mocheng again in the name of apology.

Fu Xin has to praise Su ya, which moves away from Su Zihan for several streets. Where is Su Zihan so straight? If you don't like it, you go ahead and beat people and scold them.

"Ann, you agree!" Su Ya thought that the word "Oh" in su'an meant that she

agreed to invite Gu Mocheng to dinner and said happily.

Last time she was slapped by Gu Mocheng, Suya was extremely aggrieved, but she really liked this man.

If she rushes directly to su'an and says, su'an, you don't deserve Gu Mocheng. Give him to me.

Su An'an will be annoyed and be more defensive.

If su'an and Gu Mocheng are invited to dinner in the name of apology, su'an should agree.

"What do I agree with?" Suan'an looks pale. "Do you agree to continue seducing my husband?"

She doesn't like to be lenient with women who want to hook up with her husband.

Please have a meal. Her brain is broken. She creates opportunities for Suya to Approach Gu Mocheng.

"Ann!" Su Ya exclaimed in surprise. She followed her red eyes. "I don't have one. I really don't want to seduce Mr. Gu."

"Don't worry, I'm not interested in Mr. Gu. I just feel sorry for you and want to make it up to you." Suya sobbed.

The scene of her weak and weeping was seen by passers-by. It was su'an and Fu Xin who bullied her.

"Is it?" Su An'an raised his mouth and said sarcastically, "since I'm not

interested in Gu Mocheng, I've learned this meal for him." "Ann, how can you do that!" Said Suya defiantly.

"How am I!" "I'll give you my husband. You think I'm good, don't you?" she said

Suya looked at Suan's angry face and said, "I just want to invite you to have a meal. It doesn't mean anything else. Ann, there are many women around Mr. Gu. If you don't be generous, you will make him angry. "

"You want to say that I'm so domineering and jealous that I don't deserve to be his woman." Su'an sneered.

Su Ya was stunned and didn't speak because she said what she had in mind.

"Don't worry, I will definitely bully to the end and won't give any woman a chance to get close to him." Said Suan with a smile.

"Ann!" Suya exclaimed defiantly, "you are too much."

Su An'an looks at Fu Xin beside him. "Xiao Xin, it seems that I've gone too far. My husband is so excellent, there must be many women who like him. If he doesn't find a woman to help me keep his heart, he will run in the future. "

"I have to find a sister around me to help me, you say?"

As Suan said this, her eyes lit up.

"Ann, I'll listen to you."

Aunt Su said last time that she asked Su ya to help Su an stop Gu Mocheng's heart.

"Xiaoxin, just you."

"Really?" Fu Xin replied with a smile, "An'an, you are very kind to me. I will help you to watch Gu Mocheng. If you come to a fox spirit and beat a fox spirit, you will never get close to Gu Mocheng."

As he spoke, Fu Xin clenched his fist and shook it in front of Suyu.

Su Ya was angry and cried by Su An'an and Fu Xin, "you!"

Su An'an and Fu Xin look at her and turn away.

Suyu looked at their backs, put away her tears, and stared at Suan with hate.

Apart from being beautiful, su'an is not a obedient girl at all. She is not worthy of Gu Mocheng.

Racing! When Su Ya thought of coming, she heard the conversation between Su An'an and Fu Xin. She took out her mobile phone and called Su Zihan.

"Sister Zihan. "Suyu called.

Su Zihan is always superior in front of Su ya

"You don't see Mu Jinyu at school." Su Zihan thinks Su Ya called to see Mu Jinyu and Su an together, and her voice immediately rises.

"No." Suyu said, "after he married you, I didn't see Mu Shao come."

"Don't worry, sister Zihan. You are the one who pays less attention."

## Chapter 167

Hearing this, Su Zihan hooked the corner of his mouth and laughed at himself.

If what Mu Jinyu cares about is her, how can Mu family not see his people all day.

"Sister Zihan, don't worry. I'll help you look at Mu Shao."

Su Ya's words satisfied Su Zihan. She always looked down on Su ya, so she was not afraid of her taking Mu Jinyu away.

"Well." Su Zihan said with a smile, "if you do well, I'll let my mother introduce you a good childe."

Su Ya likes Gu Mocheng in her heart, and she doesn't want other men. However, she did not refuse Su Zihan, but said, "thank you, sister Zihan."

If face-to-face chat, Su Zihan can see displeasure on Su Ya's face.

"Sister Zihan, I want to ask you something."

"Ann, does she like racing?"

"Racing?" Su Zihan is stunned. It's something played by ruffians. She doesn't understand it.

"I just heard Ann say that she would like to take part in any car race, but I'm afraid that Gu Mocheng is not happy."

When Su Zihan heard Su Ya's words, her eyes suddenly brightened. She seemed to catch Su an's handle.

"Is that true?" Su Zihan is excited and asks.

Suya replied, "well."

"Sister Zihan, if Gu Mocheng knew about this, would he be angry with an an. If the two of them are separated, you. "

later, Suya doesn't say everything, but suzihan knows.

If Gu Mucheng jilts su'an, she will double her revenge and see who is protecting her.

Su Zihan wants to be more happy. He doesn't talk to Su Ya any more, so he hangs up his cell phone.

When Suya heard the beep on the phone, she raised her lips and smiled.

Jiang Mei uses her and su er's aunt to deal with Su An'an. She uses Su Zihan to deal with Su An'an. They all use each other.

If Jiang Mei is around Su Zihan, Jiang Mei will never allow Su Zihan to go to Gu Mocheng so impulsively, which is obviously a thankless thing.

With one or two words of Su Zihan, Gu Mocheng is suspicious at most, but Gu Mocheng will remember that Su Zihan destroys his feelings with Su An'an.

Su Zihan is so proud that he feels that he has grasped su'an's handle. In Gu Mocheng's heart, su'an is obedient. If he knows that his woman is similar to a street gangster, he doesn't know if Gu Mocheng wants su'an.

She dressed herself up happily and the door was opened.

Su Zihan turns around and sees that Mu Jinyu comes in tired.

Mu Jinyu is surprised that Su Zihan is at home. Shouldn't she be at school?

After her marriage, Su Zihan returned to school rarely. She was too lazy to go to boring classes. She might as well go shopping and sleep at home and play with her mobile phone.

The Mu family ignored her, but kept her as an idle person.

"Brother Jinyu." Su Zihan comes forward and tries to jump into Mu Jinyu's arms with a smile.

Mujinyu frowned and crossed her side.

Looking at mujinyu's cold face towards herself, Su Zihan smashes her eyebrow pen on the ground, "brother Jinyu, why don't you pay attention to me?"

She asked, Mu Jinyu glanced at her lightly, took off her coat and went to bed.

His hand injury is not good, the company's affairs are in a mess, and every day he has to stay in the company to deal with urgent matters.

"Are you out drinking again?" Su Zihan's temper came up, and angrily went to lift Mu Jinyu's quilt.

Mujinyu sneered and said, "how can I be such a fool?"

His hands don't work at all. He's in trouble trying to fool around.

"But for you, my hands would have been like this."

Su Zihan was wronged by him and said, "brother Jinyu, I'm sorry."

As she said this, she went to bed and fell into Mu Jinyu's arms.

"Brother Jinyu, I'm wrong." Su Zihan said softly, she looked up at Mu Jinyu, who was pale, and kissed him, "brother Jinyu, I miss you."

Mujinyu's eyes are not as aroused by Su Zihan in the past. On the contrary, he turns his head and feels disgusted.

Su Zihan doesn't give up. She climbs to Mu Jinyu and says with a smile, "brother Jinyu, you haven't asked me for a long time."

Since they got married, mujinyu hasn't touched her.

"Brother Jinyu." She softened her voice and smiled at Mu Jinyu.

Mujinyu didn't have any emotion. He said calmly, "get out of here."

"I don't want it!" Su Zihan said, "if you don't touch me, I won't go away."

"Brother Jinyu, you must want me very much."

"You don't have a brain disease!" Mujinyu was tired of her, said the annoyed voice. His hand was hurt like this by her. Where else would he be interested in touching her!

His words scolded Su Zihan's face, "brother Jinyu, how do you scold me!"

"You didn't do that to me before." Su Zihan said wrongly that tears ran out of

her eyes and hung on her face. Mujinyu did not have any pity, but felt upset.

"I didn't know you were so vicious before."

He will blame such a woman for killing his children!

"Brother Jinyu." Su Zihan makes a sound.

"I will not touch you even if I go out to find a woman." As mujinyu spoke, she got up from the bed.

Originally want to come back to sleep, now by Su Zihan is not in the mood to sleep down, it is better to open a room outside the hotel to have a good rest.

"Mu Jinyu!" Su Zihan cried angrily, "you're too much. I'm waiting for you to come back at home. That's how you treat me!"

As she spoke, she picked up the pillow and hit Mu Jinyu.

Mujinyu's hands are not perfect. He dare not move around, or he will have to tie plaster.

"I'm not interested in accompanying you." As she spoke, Mu Jinyu walked out of the door.

Su Zihan looks at Mu Jinyu and runs away. She scolds and rushes out. "Mu Jinyu, stop for me."

"You dare to find a woman outside!"

"Are you worthy of me? As long as I married you, you were out looking for a woman. "

The more she scolds, the faster Mu Jinyu goes.

Madame Mu heard Su Zihan's sharp and angry voice. She came out and saw Mu Jinyu going out.

"Jin Yu, why did she leave when she came back?"

"You ask her!" Mu Jinyu dropped a word in a low voice and went out of the door of the Mu family.

Madame Mu turned to look at Su Zihan, whose shoulders were exposed upstairs, and understood what had happened between them just now.

"Zihan, Jin Yu's hand is not good, how can you?"

Su Zihan verbally scolds Su an for being shameless, but Madame Mu thinks it's her who is shameless.

"Mom, brother Jinyu doesn't want to touch me. He said he would rather find another woman." Su Zihan said in annoyance.

"When you call him back, I'll make it clear that he doesn't look at other women outside! Isn't it suan'an! " Su Zihan said more and more angry, he actively seduced mujinyu, mujinyu did not want her.

"Enough." Mrs. Mu couldn't listen. "If you treat her like this, he will raise other women outside sooner or later."

"Mom, what do you mean? Is it easy to bully our Jiang family? If you want brother Jinyu to raise other women, don't think about it! "

Madame Mu was stunned. She didn't want Mu Jinyu to raise any women. She wanted Su Zihan to be smart and not push her further.

She couldn't make it clear to Su Zihan and turned back to her room.

Su Zihan looks at Madame Mu and ignores herself. She screams "ah" in anger.

When Mu Laozi entered Su Zihan's house, he moved to live with his second son.

Mu's family despised her. She must tell Grandma that they can get retribution.

## Chapter 168

Gu Mocheng is used to seeing the shadow of the little girl when he comes back every day. He didn't enter the hall, and Suan was already smiling.

"Husband, it's hard."

She didn't wait for him to respond and kissed Gu Mocheng on the cheek.

Gu Mocheng is used, used to her smile, used to her kiss.

Habit is really a terrible thing. In his mind, his heart is occupied by her.

Gu Zhen and old lady Gu are sitting in the living room, looking at the loving couple, both of them feel happy.

Gu Mocheng can be happy with su'an, which is their happiest thing. When people get old, they think most about their children's well-being.

If Gu Mocheng is good, they will be satisfied.

However, old lady Gu is worried that she hasn't got a grandchild to hold her.

"Ann, you have to work hard."

As soon as Gu Mocheng and su'an come, Gu said.

"What!" Su An'an doesn't understand. Gu Mocheng has heard the meaning of old lady Gu.

He looked at su'an and said, "Ann is still young."

"You are not young." Old lady Gu retorted, "Mo Cheng, you are thirty-one years old."

"Your father is your age. Your brother is four or five years old."

Why are Guzhen and old lady not in a hurry?

"Ann is still reading, not in a hurry." Gu Mocheng is stubborn.

In the room, Su an takes a bath and comes out. Seeing Gu Mocheng in the study next door dealing with business, she walks over, leans against the door and watches Gu Mocheng's obsession.

Just now, Su Anan listened to the words of the old lady. She is young, but Gu Mocheng is old.

She doesn't reject or even expect Gu Mocheng's baby now.

"What are you looking at?" Asked Gu Mocheng.

"Look at you." Su'an takes back his mind and his way.

Because of her words, Gu raised his head and watched Suan walk to his front.

She is wearing a nightdress, which is not the kind of exposed dress, but Gu Mocheng's vision can not help falling on her white calf.

When the lust saw her, it ran out.

"Husband." Suan softened her voice, went to him, bent over and kissed him on the cheek.

"Ann, what are you doing?" Asked Gu Mocheng.

Su Anan a smile, sit to Gu Mo Cheng 's bosom, lips move to his ear, "seduce you, OK?"

Her smile fell into Gu Mocheng's arms. In this way, Gu Mocheng could not control the burning desire.

His hand moved to suan'an's waist. "Ann, when you graduate, we will have another child."

Su'an was shocked, but Gu Mocheng could not see through her mind so easily.

"Why?"

"Mom is right. You are not young."

This words, Gu Mocheng does not like to listen, "age is not young?"

He asked, with his teeth bland, and Suan continued, "you're too young to hear."

Gu Mocheng smiles and doesn't care about her age. In her eyes, he is really big.

"Ann, if you are pregnant now, it will delay your study. I don't want you to drop out of school and do something you're not happy about. "

Gu Mocheng's words moved su'an. She hugged him and leaned toward his arms.

"I won't be unhappy to have a baby for you."

"I know." "Another two years, I hope you finish your studies," Gu said

"Girls need to be able to support themselves."

Su An'an thinks that Gu Mocheng thinks that a woman should be a housewife at home and doesn't need to appear outside. He doesn't think that his idea is different from other people's.

"Well." Suan nodded, and his words went to her heart.

She wants to learn what she likes and make money as much as she can.

With that, su'an stood up and planned to let Gu Mocheng do something.

All of them have been aroused by suan'an. How could Gu Mocheng let her go.

He stood up and held Suan in his arms.

"Husband, don't you work?"

"I'll wait for business." Gu Mocheng says, bowing his head and kissing the girl in his arms.

After staying with Suan for a long time, he smiled more and talked more.

When he kissed Su An'an, he heard his heart beating fast. Gu Mocheng thought that he was moved by the little girl.

He once thought he would not love, but in the process of doting on suan'an, he also gave his heart out.

He didn't hate this feeling, but wanted to pet her all the time.

Last night's passion is still lingering on Gu Mocheng, and he was in a meeting because he thought of the little girl.

After the meeting, the assistant followed Gu Mocheng and said with a smile, "Mr. Gu is in good spirits recently." "Well." Gu Mocheng responded.

"I'll go back early today, and let the vice president or the public relations department go to the relevant parties and dinners."

Gu Mocheng came to work late in the morning, left early in the afternoon, and smiled from time to time at meetings or documents.

This is clearly the situation of people in love.

"Mr. and Mrs. Gu have a good relationship." The assistant flattered.

Gu Mocheng is in a good mood, so is his assistant.

Gu Mocheng used to have a cold face. He had to work carefully for fear of

being scolded by Mr Gu for doing something wrong.

As they spoke, the assistant's cell phone rang.

The assistant answered the phone, hung up his cell phone and said to Gu, "the receptionist in the lobby called and said that madam is coming."

Ann's here?

Gu Mocheng is confused. She didn't tell herself to come to Gu.

When Gu Mocheng is waiting for Su An'an in the office, when someone comes in and hears "Mr Gu", Gu Mocheng frowns.

It's not Ann!

As soon as the assistant saw that the person who came in wasn't su'an, he was stunned.

The front desk called to say that Miss Su was coming to see Mr Gu. He naturally took Miss Su for suan'an.

Did not expect to come is Su Zihan.

"Take it out." Gu Mocheng said in a low voice.

Su Zihan's original face was full of smiles, which froze when he heard Gu Mocheng's words.

Today, she came to find Gu Mocheng. When she arrived at Gu, she was shocked by the decoration inside, especially the top floor.

Gu's family was originally her. She was harmed by su'an, so she could not be Gu's wife.

"Mr. Gu, I have something to tell you." Su Zihan hurried forward a step and said.

Gu didn't want to hear Su Zihan say anything, he said quietly, "call the security guard up."

This is to assistant said, Su Zihan is not willing to go, he asked security to take her.

"Mr. Gu!" Su Zihan said in panic, "how can you drive me away? If it wasn't for su'an, I would be your wife."

Gu Mocheng didn't want to go.

If it was su Zihan, he would return the man to Su's family at that time.

www.onlinefreenovels.com

Gu Mocheng's indifference makes Su Zihan extremely depressed.

Why did Gu Mocheng hold su'an in his palm and hurt him? If it wasn't for her, would su'an have such a good fortune?

"Mr. Gu, I came here to tell you about Suan." Su Zihan knows that Gu Mocheng doesn't welcome her, she says anxiously.

Before the security guard comes, tell Gu Mocheng about su'an.

"Su An'an is not as obedient as you think. She is very hypocritical. She is acting like a good girl in front of you."

Su Zihan said these, Gu Mocheng knows.

How about not being obedient? That's his wife.

He used to think that he would find a obedient wife to support him at home. Now he is holding su'an in his palm, hurting him. He doesn't need her to be so obedient.

See Gu Mocheng draw up the corner of his mouth and smile coldly, Su Zihan is in a hurry, "Mr Gu, su'an is carrying you and people racing!"

## Chapter 169

Gu Mocheng also liked racing when he was young. In this sport, he felt exciting. But later he hated racing.

The pursuit of stimulation and speed at the same time, and people are not attached importance to their lives.

Gu Ziming is against and dislikes racing.

If it's Suan

"drag it out." Su Zihan said that, Gu Mocheng's face immediately sank down, and he snapped.

His voice was cold and sharp, and the assistant's heart shook.

Mr Gu hasn't been angry for a long time.

The security guard has come up and pulled Su Zihan out.

"Mr. Gu, you don't believe me."

"Su An'an is really racing with people outside. If you don't believe it, you can check it!" Su Zihan cried out for fear that Gu Mocheng would not hear her.

"Throw out Gu."

Gu Mocheng accentuates his tone and stares at Su Zihan, who is still barking.

The assistant knows that Gu Mocheng's anger is pushed to the high point by Su Zihan's words. If Su Zihan goes on fighting again, Gu Mocheng has destroyed Su Zihan's heart.

Su Zihan was thrown out of the gate by Gu's security guard. She didn't suffer this kind of grievance from her childhood. She was thrown out into the street and fell to the ground in embarrassment.

Because it's a skirt. When it's thrown out, the skirt slides directly to the waist, revealing a lot of spring light. All the men in and out of Gu's family stare at Su Zihan.

Su Zihan gets angry and gets up from the ground, pointing to Gu and swearing, "Gu Mocheng, you will regret this to me."

"The Jiang family won't let you go!"

Jiang family! After saying this, Su Zihan reacts. In the eyes of Gu Mocheng, Jiang's family and old lady Jiang are nothing.

"That's not Suhua's second daughter." People who go in and out of the Gu family are all people in the shopping mall. Some old managers recognize Su Zihan and ask people around them in a low voice.

"Daughter of Suhua and Jiang Mei." Said the man next to him with certainty.

"It's not that Jiang Mei's daughter is gentle and generous. How can she look

like this?" A person said, good people will naturally come together to talk about Su Zihan.

Su Zihan heard them talking about themselves. He said in a annoyed voice, "what do you say?"

"Yes, I'm Su Zihan, Jiang Mei's daughter. You dare to say more."

They despised Su Zihan's threat. Su almost went bankrupt. If Gu Mocheng hadn't suddenly invested a lot of money in it, it would have been gone.

However, even if Gu Mocheng put money in, there are still many loopholes in Su's family, and they are also pointed at.

"It's said that she killed her own child, and then put the blame on her sister."

Some people talk about Su Zihan and mujinyu's party. Su Zihan's reputation has long been stinking. She had to be glad that she had married Mu Jinyu, otherwise no one in the upper class would let her son marry Su Zihan.

It's shameful that Su Zihan selfishly killed his children, who are the most important heirs in the rich family.

"Shut up, shut up!" Su Zihan can't stand other people's advice. She is Miss Su's and Miss Jiang's. they should be respectful to her. What's the irony to her.

But no one paid attention to Su Zihan and let her cry out angrily.

When Su Zihan went to Gu's family, it quickly spread to Jiang Mei's ears.

Jiang Mei is angry that Su Zihan went to Gu's alone, but she didn't tell her.

When she called, Su Zihan was already in the car. She cried as soon as she heard Jiang Mei's voice.

"Mom!"

"Who told you to go to Gu?" Asked Jiang Mei angrily.

"Aren't you beaten badly enough by Gu Mocheng? And go to gu! What are you going to do with Gu! "

Su Zihan had been wronged in Gu's family. She just wanted to complain with Jiang Mei. Before she could export, she was scolded by Jiang Mei.

"Mom!" Su Zihan cried more miserably. As soon as she cried loudly, Jiang Mei became soft hearted.

"All right." Jiang Mei said, "what do you do when you run to Gu Mocheng?"

"Suan is racing outside with Gu Mocheng on her back." Su Zihan sobbed and explained.

Racing?

Jiang Mei was very surprised when she heard that suan'an was racing. She said, "you should go to talk with Gu Mocheng. You shouldn't go by yourself."

This is not intended to make Gu Mocheng angry!

"How can you run to Gu Mocheng himself? Gu Mocheng doesn't like suu'an racing, but he will spread his anger on you as a informer."

"Mom, I don't know." Su Zihan cried bitterly, "as soon as I heard that Su an had no apparent cleverness, I felt that the chance to deal with her came. Where do you know that Gu Mocheng will be angry with me! "

"Who asked you to go to Gu Mocheng?" Jiang Mei hears the meaning of Su Zihan's words and knows that someone egged on Su Zihan.

"It's Suya." Su Zihan said that she suddenly responded, "is she using me?"

Suya, this little bitch dare to use her. However, already used, Su Zihan wants to regret also has no way.

"She's a smart person." Jiang Mei sneers, "Zihan, you should study with Suya."

If Su Zihan is half as powerful as Su ya, he will not be unable to live in Mu's house.

"Mom!" Hearing Jiang Mei's words, Su Zihan called out unhappily, "I can't spare her."

Jiang Mei said, "go home first, and don't give me the impulse to go to Suya."

Su Zihan is too easy to be provoked. She goes to find Su Ya and opposes Su Ya indefinitely. With a shrew, aunt su er, Su Zihan has only a share of losses.

"Oh." Su Zihan is reluctant to go back to Su's house, but Jiang Mei says she can only go back. She will go to work with Su Ya after a few days.

Gu Mocheng's face was ugly, and the assistant didn't dare to say a word. He really didn't know that Miss Su who came to find Gu Mocheng was not his

wife.

"Sir." The assistant called.

"Get out!" Gu Mocheng said in a calm voice. Now he wants to have a quiet cigarette.

Looking at Gu Mo Cheng's cold face, the assistant didn't go on. He turned to go out and shut the door by the way.

In the office, there was a strong smell of smoke. Gu Mocheng smoked hard, one after another.

Suu'an racing!

Hearing this, he got angry at once, but didn't know what he was angry with!

Gu Ziming often drives outside and plays when he is young, but he is not so angry.

Gu Mocheng was annoyed, and his cell phone on the table rang.

He looked and picked it up.

"What are you doing!"

It's Xiao Yan's phone. Xiao Yan's voice sounds very happy.

"Say something." Gu Mocheng said in a deep voice.

As soon as Xiao Yan heard it, he knew that Gu Mocheng was in a bad mood.

It's really strange that after Gu Mocheng had a woman, he was in a good mood day by day and didn't see him angry for a long time.

"Who offended you?" Xiao Yan asked with a smile, "it's not your little wife!"

Gu Mocheng didn't answer him, Xiao Yan's intuition was right.

"It's not that you can't do it. She didn't satisfy her. She quarreled with you." Xiao Yan joked.

"Say it!" Gu Mocheng, holding back his anger, said a word in a cold voice.

Listen to this voice, Xiao Yan wisely does not laugh at him, "I am afraid to say, you will be more angry."

"Or I'll tell you tomorrow."

Xiao Yan felt that he had to find a place to hide for a few days after finishing this matter, otherwise Gu Mocheng's anger would spread to him.

"Say, or not." Gu Mocheng was impatient, he took a smoke and said.

"Tell me." Xiao Yan replied that he called to talk to Gu Mocheng. He was bored recently. Gu Mocheng was busy with his wife. Han longyi spent every day in the small clinic to see his parents. He wanted to worry about the world and find something to worry about.

"Remember the racing race we met on our way back to Ningcheng last time? The woman, who bumped into your car and gave you a thumbs up thumb, I found her identity. "

For this matter, Gu has almost forgotten.

Xiao Yan is always remembering that he is eager to find out who dares to thumb at Gu Fucheng.

So, he has been looking into this matter, but the identity of this woman was concealed, he is not easy to look into. When he didn't want to check, he suddenly knew his identity again.

"Want to know her name?" Xiao Yan asked happily, "do you want to?"

"I don't want to." Gu Mocheng only thinks about the racing in suan'an. He has no interest in other women.

"I really don't want to!" Xiao Yan continued, "if you know her name, you must be shocked."

"I'm sure you'll be angry!"

He was so bored that he wanted to see Gu Mocheng hit people angrily.

Angry! Gu Mocheng is very angry now. He paused, thought of something and said three words.

"Suan!"

Xiao Yan was shocked. He didn't say who the woman was. Gu Mocheng said his name step by step.

"How do you know? Your wife has confessed to you. "

If so, how boring it would be!

"Shit, Gu Mocheng, you are so damn powerful. You married such a little girl. Before I met your wife at Xiao's, I thought she was familiar with her. I didn't think of where I met her at once. "

"as like as two peas, I'll find someone to look for your wife. I'll take her picture back and study it. I'll see that she looks exactly the same as the girl who bumped into your car."

Xiao Yanyue said that the happier he was, the more excited he was when he knew that su'an was the girl who had run into Mo Cheng's car.

Although su'an's dress was quite different from that of Banggu Mocheng's, Xiao Yan thought it was su'an.

"She didn't recognize her husband at first, so she dared to give you a thumbs up." Xiao Yan asked with a smile. Now he thought of Gu Mocheng and looked at his reaction. "Gu Mocheng, are you listening?"

Gu Mocheng did not return to him, Xiao Yan asked.

He also wanted to ask Gu Mocheng what it was like to know that his wife was driving so fast. Gu Mocheng had already hung up his cell phone.

"Gu Mocheng!" Hearing the beep voice coming from the phone, Xiao Yan was depressed. He didn't finish when he wanted to ask, so Gu Mo hung up.

Is Gu Mocheng angry now?

He didn't know that his wife had hit his car. He should have been angry.

When Xiao Yan thought about it, he called Han longyi and wanted to send Han longyi to test Gu Mocheng's mood.

"Hello."

The gentle voice of a woman is very pleasant.

With a voice, Xiao Yan is sure that the other side must be very beautiful.

He looked at the number on the mobile phone. It's Han longyi's right, but how could a woman answer it.

"Do you want to see Dr. Han? He's treating people. You'll see him later. "

## Chapter 170

"Dr Han, your phone!"

Han longyi hears Su ruocheu's call. He looks back and sees that she has come to him with her mobile phone.

"Thank you." He said with a smile, when he went to get the mobile phone, his finger touched Su ruocheu's white fingertip, and his face turned red.

Han longyi's heart beat faster. A man in his thirties blushed when he touched a woman's finger. No one believed that.

"Dr Han, I'll make dinner first." Said Su ruocheu.

She does some housework here and occasionally helps take care of the patients.

Han longyi asked her to talk to more people. She didn't know why. When she met a stranger, she became nervous and didn't know what to say. It's because I've been locked up for too long and I'm afraid of communicating with strangers.

"Well." Han longyi returns to his mind.

Su ruocheu's cooking is very good. Thinking of the delicious food in the evening and her solitude, Han longyi can't help thinking about the darkness.

Han longyi holds the phone and watches Su ruocheu walk towards the kitchen. Xiao Yan's voice is in his ear.

"Hello."

"Han longyi, where did you find the beauty?" Xiao Yan asked.

"Picked it up on the road." Han longyi said quietly.

"Where did you pick it up?" Xiao Yan asked, thinking that Han longyi was lying to him. In fact, Han longyi brought it back from the roadside.

Han longyi doesn't like Xiao Yan asking about Su ruocheu. He turns to the topic, "what's up?"

"Han longyi, where is your small clinic? I'll come and see you later. "

"No, I have some." Han longyi refused.

Xiao Yan, a playboy, let him see that Su ruocheu has not been stared at.

"Han longyi, don't worry. A friend's wife can't cheat." Xiao Yan said with a smile, there are many beauties, and there are only two brothers.

However, Han longyi still doesn't like Xiao Yan seeing Su ruocheu.

All of a sudden, he had a way to hide such a beautiful Su ruocheu and let himself watch it in the clinic.

"Come out for dinner, brother. It's my treat."

"No." Han longyi firmly refused.

"Someone made you dinner? The beauty did it just now. " Xiao Yan asked excitedly. He wanted to come and rub rice.

Xiao Yan's mind is clear to Han longyi.

"Anything else? It's OK. I'll hang up. "

He asked Xiao Yan if he had anything else to do? But I've hung up.

So anxiously hung up the phone, for fear that Xiao Yan would find the door and disturb his peaceful life.

Now, let him give up the position of heirs of Han family, and live in this small clinic for a lifetime, he is also willing to.

When Han longyi thought about it, he saw Su ruocheu's figure through the kitchen door and smiled at the corner of his mouth.

When the assistant came in, he was choked by the smell of office smoke and coughed continuously. For only one hour, Gu Mocheng's smoke made the whole room full of smoke, which made people unable to smoke.

"Mr. Gu!" The assistant covered his mouth and nose and went to Gu Mocheng's side.

Gu is still smoking. The ashtray on the table is full of cigarette butts, and he smokes very hard.

The assistant knew that Gu Mocheng was a heavy smoker, but he had never seen him smoke so much. Gu's project sometimes has problems. Even when

it reaches hundreds of millions of dollars, Gu has never been so ruthless and smokes constantly.

"Mr. Gu, smoking too much is bad for your health." The assistant said.

Gu Mocheng looks at him coldly and continues to smoke.

"Mr. Gu, the car has been arranged for you. Are you going back to the old house now?" The assistant asked that it was at this time that Gu Mo left the company these days.

Gu didn't speak. He continued to smoke, but he didn't smoke as fast as before.

The assistant saw that Gu Mocheng didn't respond to him. He dared to ask again, "Mr. Gu, are you going back to the old house now?"

Gu Mocheng glanced at him and said lightly, "are you in a hurry to get off work?"

The assistant was stunned. He reflected that Mr. Gu was in a bad mood.

Mr. Gu is remembering that he took Su Zihan upstairs, which is really wrong. He thought it was his wife.

"No hurry, no hurry." The assistant said with a smile.

"Oh."

The assistant had to stand in the office, not to leave, and was choked by smoke.

If he is given another chance, he must go downstairs to see if Miss Su is madam first?

Mr. Gu is angry in his heart and spreads his anger on the innocent man.

Gu Mocheng came back very late, waiting for Su an to fall asleep on the sofa in the room.

She was awakened by the strong smell of tobacco.

Su An'an opened her eyes, and Gu Mocheng's cold face came into her eyes. She was glad to wait until he came back. "Honey, you are so late today."

She said softly, in a coquettish tone.

"I've been waiting for you for a long time, and I'm asleep." These days, Gu Mocheng is used to coming back early. He didn't come back at five on time. She doesn't adapt. When he wasn't there for dinner, the delicious food on the table made her lose the desire to eat, so she took a few casually.

As Suan said this, she reached for Mocheng's cheek. As the wind from the window blew in, she could smell the smell of tobacco on him again.

The tobacco on his clothes smells very heavy today!

"Husband, do you smoke a lot?"

"Smoking too much is bad for your health." Su an an an cares a way, her finger abdomen follows words of exit, touch Gu Mo Cheng's cheek slowly.

"Hurry up and take a bath. It stinks."

She froze with the smile on her face because she found something wrong with Gu Mocheng.

His face was taut. After she said so much, he didn't respond to a word. His eyes looked at her deeply, which made Su an's heart beat fast.

"What's the matter? Husband. " Su An'an softens her voice and feels Gu Mocheng's unhappiness.

"Is there anything bothering you?" Su'an asked again. She got up from the sofa, moved her hand to Gu Mocheng's eyebrow, and rubbed it slowly.

She wanted to smooth his frown a little bit, and Suan didn't like to look at his face.

Gu Mocheng touched her face with her little hand, and his eyes were looking at her.

He did not speak, and Suan did not. She looked at him with a smile on her face and continued her movements.

"Ann." After a long time, Gu Mocheng spoke in a light voice.

Su An'an's "MMM", grinning sweeter.

"Husband, are you tired today?"

She said, releasing Gu Mocheng and turning to the bathroom.

"I'll give you water to bathe and you'll relax yourself."

She took a step forward and her hand was pulled back by Gu Mocheng.

Su'an pours into Gu Mocheng's arms, and she then reaches out to hug Gu Mocheng's back waist.

Being held by him is always warm and never boring.

"It's very smoky with the smell of smoke." She raised her head and said, pretending to be disrespectful.

Gu Mocheng looked at her smiling eyes and asked in a low voice, "I don't like smoking."

"Well." Suan nodded. "I don't like people who smoke, but I like you."

As she spoke, Gu Mocheng saw his face under her eyes. Inexplicably, he lowered his head and kissed her lips.

He was very angry when he knew that she was going to race with others, but when he came back, he saw her sleeping on the sofa and listened to her "husband" one by one. He wanted to get angry with her, but there was no fire.

Why does he have the feeling that there is no way to take a little girl.

After kissing, Su An'an nestled in Gu Mocheng's arms like a kitten. She said softly, "husband, it's not good for your health to smoke less in the future."

"I want to grow old with you."
